

Dear God
Thank you for today.
It is brilliant come to meet with you.
Thank you for the place where we live.
It is beautiful and you have blessed us with it.
Thank you for each other.
It is great that we can be together as your family.
Thank you for those we love and those who love us.
And thank you for all we have learned from them.
Amen.

Dear God
We are sorry for the things we do wrong.
The things we say, the things we do, and the things we think.
We are sorry for the things we don't do, when we know we should.
Please forgive us for all these things.
Give us a new start.
And help us to live the way you want us to.
Amen.

Dear God
Please be with us in this day.
Help us to keep turning to you.
Help us to be kind to those around us,
those we like and those we find hard work
And help us to keep growing in our friendship with you.
Amen.

Dear God
Thank you that you love us all so much.
Please be with everyone who is sad or lonely.
Please look after the people who are not well.
Please look after anyone who is hungry
and all the people who live in places where there is war and disease.
Help them all to know that you love them.
Please give them your comfort and your peace.
Amen.
