

The Daily Dozen – a tool for prayer

This guide is about praying for 12 things each day for a week. Every day, pray for 3 things in each of 4 categories: 'Saying thank you', 'People to pray for', 'Issues for Prayer' and 'Praying for me'. Simply write something in each space each day and pray around them. Each day, carry over at least one thing in each section from the previous day. At the start of a new week, just start over – praying for things again if you want to.
